Places that inspire us to do our best work

You love what you do, now love where you work!

We have offices on almost every continent, along with opportunities for remote and hybrid working, so wherever you dream of being, come and join us.

Our hybrid work policy

We value the flexibility of remote work, but there's no substitute for in-person connection. Our hybrid working policy enables most employees to spend 50% of their time working from home, and 50% in their local office.

We're a truly global company, and our Discover EG program allows Expeditors to explore our amazing offices around the world and work from another location for up to four weeks each year.
